Date	Time	Town / Village	County	Occupation of reporter (where known)	Brief Description of sighting
03-Jan-98	22:05	Knutsford	Cheshire		One small, kite sized, leaf shaped object. Was bright red in colour. Moved very fast.
04-Jan-98	01:50	Raglan	Gwent		Circular in shape with a tail and extremely bright. It moved incredibly fast in different directions across the sky.
05-Jan-98	19:30	Calne	Wiltshire		One, larger than a Hercules, elongated object. Red/green - long lights, white lights at the back, in squares. Very bright.
05-Jan-98	05:45	Rayleigh	Essex		Three white lights. One red light on top. Was rocking from side to side, and then faded.
13-Jan-98	18:49	Coulsdon	Surrey		A beam of light was shining upwards. Then a crescent shaped object was seen. It moved slowly across the sky.
14-Jan-98		Calne	Wiltshire		Cigar shaped object. Was white with a green tinge. Was seen for a few seconds, accelerated extremely fast and then disappeared.
14-Jan-98	07:40	Falkirk	Central		A large object. The same size as the moon. It went vertical straight through the cloud.
14-Jan-98	21:56	Glasgow	Lanarkshire		Like a meteor - silent sphere of light. Was moving in an arc, going from South East to North East. It then disappeared.
14-Jan-98	21:50	Kennoway	Fife		Light, orange ball. Like a dull shooting star. Silent. Was heading North East.
15-Jan-98	22:30	Framlingham	Suffolk		A long, dark object in the sky. Two bright lights at either end, and several red ones in the middle. It moved vertically and then horizontally.
16-Jan-98	21:15	Stirling	Central		Low flying white light, with multi-coloured flashing lights on the underside. Was hovering.
16-Jan-98	02:50	Gorton	Greater Manchester		Lots of lights together - very fast flashing red lights in a cluster. Very bright and it appeared large.
20-Jan-98	17:58	Airdrie	S'clyde		Object looked triangular in shape, defined by three flashing lights. One on the right was green and the others white.
24-Jan-98	15:00	Swansea	West Glamorgan		Black, triangular shaped object, with two fins.
25-Jan-98	20:25	Newport	Gwent		One object, thought to be a star, with stud like lights underneath in a circle. Was travelling North in a straight line.
26-Jan-98	05:45	Corby	Northamptonshire		Three red lights in a triangular formation. There was a silver star shaped object, below the lights.
26-Jan-98	21:00	Ruislip	Middlesex		Spherical shaped object. Was bright and pulsating. Looked like a large light bulb. 100ft diameter? - not sure. Slow moving.
26-Jan-98	22:02	New Cross	South London		One, airline sized, cigar shaped object, with a red light. Quite bright. The object was moving erratically.
01-Feb-98	19:15	A272 nr Winchester	Hampshire		Main object - large, red/orange luminous ball. There were two smaller objects that had totally different flight paths.
03-Feb-98	07:30	Birmingham	West Midlands		One object, the size of a passenger plane. Was triangular in shape and silver. Very bright, due to the reflection of the morning sun.
04-Feb-98	22:55	Southend	London		One red and green object. It was still.
05-Feb-98	02:30	Sutton Coldfield	West Midlands		One oval shaped object. Bright green/blue in colour. Half magnitude brightness - of the moon. It shot up vertically in the sky.
06-Feb-98	07:15	A281 nr Guildford	Surrey		Three circular objects, 20-30 feet high. They were orange and very bright. They were stationary for a short time, then disappeared.
07-Feb-98	06:40	Fleet	Hampshire		Triangular object, like the end of a plane or concord. Three brilliant white lights.
09-Feb-98	15:40	Barry	South Glamorgan		Blast of orange light. In the same direction, three golden balls appeared, that were brighter and then they disappeared.
13-Feb-98	07:00	Grove Park	London		A black, ruler shaped object. It moved across the moon and then disappeared.
13-Feb-98	21:30	A34 nr Abingdon	Oxfordshire		Huge object, like a shooting star. Also looked like a firework rocket, descending down with the exhaust burning.
15-Feb-98	03:10	Finchamstead	Berkshire		Twenty eight foot circular object, with a dome on top, which had a bright yellowish/whitish light. Travelled very fast North East.
16-Feb-98	07:35	Methill	Fife		Two circles of light that were very bright and very close together. They moved at fast speed vertically up into the sky.
17-Feb-98	18:45	Lincoln	Lincolnshire		A single black triangle was seen.
19-Feb-98	20:06	Heartburn/Stockton	Cleveland		A central disc, with lights shooting off of it. It was hovering.
21-Feb-98	02:20	Evesham	Worcestershire		One oval shaped object, which was extremely bright with a dark blodge. It was slowly moving across the sky.
22-Feb-98	21:00	Ladysbridge	Aberdeenshire		One orange object, with a very intense bright light. It was moving very slowly and then it just disappeared.
24-Feb-98	18:30	Hemel Hempstead	Hertfordshire		Two large yellow lights, surrounded by smaller blue/green and yellow lights. They made vertical and horizontal movements.
24-Feb-98	17:00	Halifax	West Yorkshire		Purple, diamond shaped object, with a circle in the middle of it.
24-Feb-98	22:30	Hull	East Yorkshire		Blue, circular intermittent light.
27-Feb-98	20:45	North of M898/Glasgow	Lanarkshire		Bright light, possibly a shooting star. Was falling to earth very fast.
04-Mar-98	13:06	Gibraltar Point/Skegness	Lincolnshire		A large, cylindrical, solid object. It was silver in colour and very bright. The object shot up in the air and disappeared.
04-Mar-98	00:04	A12/Wyton	Cambridgeshire		Lights were seen dancing in the sky. The lights went up and down in the sky and seemed to keep pace with the witnesses car.
08-Mar-98	20:06	Skirlaugh	East Yorkshire		One object. It had a bright white light, and an inner red light. It was moving up, down, backwards and forwards.
09-Mar-98	19:45	Maidstone	Kent		Red and white, round flashing lights. Two and sometimes three of them. Moving around.
10-Mar-98	20:55	Cheam	Surrey		Very bright, pink light. Shot off at high speed.
11-Mar-98	19:45	Bwlchgwyn	Clwyd		A large, black, oblong shaped object, approx. 30-40ft long. It was about 15-25ft off the ground.
14-Mar-98	19:20	Newton Stewart	Wigtonshire		The object was like the sun setting, an orange glow. Three lights shot off from it.
16-Mar-98	02:05	Leven	Fife		The object looked like a red dome. Had a white flashing light, which was small and bright.
18-Mar-98	17:40	Bolton	Greater Manchester		A round, and very bright object. Equivalent to a 5p coin in size, at arms length. Was stationary and then disappeared.
19-Mar-98	18:17	Hull	Humberside		The object looked like two lights. The width was about 10 metres across. Was hovering.
22-Mar-98	21:20	South Brent	Devon		Bright stars in the shape of a "T". Then a bright orange light was seen. High in the sky. They were descending slowly.
23-Mar-98	19:15	Histon/Cambridge	Cambridgeshire		Five, round, smooth objects. There were red and blue flashing lights, going round in a circle and another light in the centre. Quite fast.
27-Mar-98	00:30	Harrogate	North Yorkshire		Very large spherical object, with multi coloured lights. Was moving at high speed.
30-Mar-98	22:25	Bury St Edmunds	Suffolk		Twenty five to thirty, small disc shaped objects, that were illuminated. It veered away.
30-Mar-98	23:20	Wrexham	Clwyd		One large, square-ish, very bright object. Was blue-ish with lights around it. There was a humming sound and a nasty smell.
30-Mar-98	22:50	Malpas	Cheshire		The object was silent, and was changing from pale blue to green then yellow, and had one bright light. It moved erratically in the sky.
31-Mar-98	04:20	Clywd Mountains/Clywd	Powys		An object, had blue lights on the top and white lights on the bottom. Was 40ft in length. About 600ft high.
05-Apr-98	01:30	Liverpool	Merseyside		One round, grey object, helicopter size. Revolving clockwise - plate spinning. Witness could see windows, and a glow coming through them.
10-Apr-98	21:20	Kelty	Fife		One large star - like object. It had colours that were changing.

Date	Time	Town / Village	County	Occupation of reporter (where known)	Brief Description of sighting
12-Apr-98	23:45	Much Marcle/Ledbury	Herefordshire		A UFO was hovering and had numerous flashing lights, of all different colours. The object hovered in the sky for about 10 minutes.
15-Apr-98	02:00	Musselburgh	Midlothian		Two, jelly fish shaped objects. They were very bright. Moving in a South Easterly direction.
16-Apr-98	01:00				One triangular object, with flashing green and red lights.
16-Apr-98	21:00	Falkirk	Stirlingshire		One oval object, displaying five, bright searchlight type lights. The object was straight and level and moving slowly.
17-Apr-98	23:00	Aviemore Village/Aviemore	Inverness-Shire		An object in slow motion, with twelve to fifteen lights around the perimeter. 40ft to 50ft in size. The object descended behind trees.
21-Apr-98	01:00	A19/Darlington	County Durham		Numerous crescent shaped white lights. Very bright. There was one red light. They moved slow at first, and then picked up speed.
28-Apr-98	23:40	Twickenham	Middlesex		Single white light. It had a faint light behind it. It was moving slowly.
09-May-98	21:40	Crumlin	Gwent		A huge meccano/round type looking structure/object, with pulsing red, green and white lights. Very slow moving.
10-May-98	02:00	Nantwich	Cheshire		A very large object.
13-May-98		Hawley	Hampshire		A black rectangular object, with a small fuselage. Was moving very fast.
16-May-98	22:00	Amersham	Buckinghamshire		An orange ball of light, with a white ring around the outside of it. It travelled along in a straight line.
16-May-98	22:45	Wimbourne	Dorset		Three flare shaped objects. They were yellow in colour and very bright. They were about 500ft up and moving in the same direction.
16-May-98	01:30	Worthing	West Sussex		One oval/bell shaped object. Light in colour and very bright. It made a humming sound, which drew the witness's attention to it.
17-May-98	17:00	Wigan	Greater Manchester		Five, white objects that were very high in the sky. Very slow.
17-May-98	15:00	Market Harborough	Leicestershire		One flattened rugby ball shaped object, with a long needle hanging. White or silver in colour. Extremely fast.
17-May-98	17:05	Hull	Humberside		Seven lights - six together and one in front. The lights merged and moved in formation. They were very very high.
18-May-98	03:15	Llanfair P G	Gwynedd		One long shaped object, with six flashing lights. They were flashing from faded to very bright. They were moving from North to South.
18-May-98	23:00	Erdington/Birmingham	West Midlands		Three red lights in a triangle shape, 200ft up. Moving very slowly and changing pattern. There was a low humming monotone sound.
28-May-98	00:32	Bangor	Gwynedd		One light, golden in appearance, larger and brighter than a planet. Was travelling from South West to the East.
29-May-98	02:15	Ogmore Vale,nr Bridgend	Mid Glamorgan		No distinctive shape, but was extremely bright red. Had white and blue flashing lights. It was extremely noisy. Shot off at great speed.
31-May-98	22:48	Sheffield	South Yorkshire		A strange group of lights were seen by various witness's. The lights were moving in irregular patterns. They shot off at great speed.
02-Jun-98	23:45	Melksham	Wiltshire		Two star sized lights about 15 feet apart. There was also one red light. They were the intensity of the North Star.
06-Jun-98	23:00	Sheffield	South Yorkshire		Orange discs that were tennis ball size. There were two side by side, one on right hand side - catching up and one behind.
11-Jun-98	03:10	Birmingham	West Midlands		One object, small car size. Oval in shape. Blue-ish green in colour and very bright. Stationary for a while. There was a burning coal smell.
12-Jun-98	21:00	Benllech	Isle of Anglesey		One white ball of light, the size of a 5p piece at arms length. Plus, there were two smaller, faint objects in trail too.
13-Jun-98	22:00	Battersea	South London		One square shaped object. Had blue, red and white lights and was pretty bright. Was stationary and then floated - glided along.
25-Jun-98	03:30	Warminster/Westbury	Wiltshire		A flying saucer.
26-Jun-98	00:35	Hull	Humberside		A ball of white light. It was travelling East. Before it disappeared, the ball of light changed colour to red!
28-Jun-98	23:15	Uttoxeter	Devon		Saucer shaped object, that was revolving in the sky. Was greyish-white in colour. Was hovering and rotating.
01-Jul-98	00:05	Windsor	Berkshire		One oval shaped object. Was orange in colour, but was quite dim. It was travelling West and was very fast.
03-Jul-98	07:15	Bradford-on-Avon	Wiltshire		One oval shaped object. Charcoal grey in colour.
08-Jul-98	00:15	Eastbourne	East Sussex		One star shaped object. White and blue in colour and very bright. Was moving to the North from South-West.
12-Jul-98	23:09	Manchester	Greater Manchester		Round object. Bright white. 400ft up in the sky. Stayed level as it moved across the sky.
13-Jul-98	20:40	Barking	Essex		Two diamond shaped objects. Yellow and very bright. The objects were zig - zagging in the sky.
15-Jul-98	00:40	Sudbury	Suffolk		Arrow shaped object, with a light at each corner, plus one underneath. It went in a North, North-West direction.
15-Jul-98	21:35	Abronhill	North Lanarkshire		Star like in shape. Very bright. The object was almost vertical and descending.
18-Jul-98	23:26	Whitby	North Yorkshire		Saw lights in the sky.
18-Jul-98	01:06	Lydney - Forest of Dean	Gloucestershire		The object was round in shape. There was a very intense white light. It was moving slowly.
18-Jul-98	22:11	Whitby	North Yorkshire		Bright, large, cone shaped, single object. One and a half inches in size. There was static. It was moving in a straight line downwards.
19-Jul-98	08:45	A3/Guildford	Surrey		One, jelly bean shaped object. Had a mirror finish and was reflecting the sun.
19-Jul-98	00:15	Gulworth nr Tavistock	Devon		Three, hundred foot, sphere shaped, white objects. They were moving from North to South in a straight line.
19-Jul-98	02:20	Southall	Middlesex		One object, larger than a star. It was round, white, brighter than Venus and had three tails.
19-Jul-98	02:00	Southminster	Essex		One, very large flying saucer. 1000's of lights on the underside, with one larger centrally placed red light. It moved slowly away.
22-Jul-98	23:44	Hythe Bay	Kent		A squashed, elongated disc with a yellow glow. It faded and then brightened.
23-Jul-98	00:15	Eastbourne	Sussex		Pinpoints of light. Objects were changing speed.
23-Jul-98	22:40	Suffolk/Cambs border			Saw dim lights in a circular shape, spinning round.
26-Jul-98	01:58	A386 - Horrabridge	Devon		One very large disc shaped object, that was pale blue.
27-Jul-98	23:20	Twickenham	Middlesex		One large, circular object, that had blue lights that were spinning.
27-Jul-98	23:10				One dim object, that had two white lights and two red lights.
01-Aug-98	23:41	Cleethorpes	N E Lincolnshire		Lights were seen in the sky, that looked suspicious.
02-Aug-98	01:30	Bury St Edmunds	Suffolk		8-10 white lights, rotating around one similar light.
02-Aug-98	00:30	Milton Keynes	Buckinghamshire		One circular object with square lights and windows from the outside going to the centre. Was large and revolving.
02-Aug-98	01:40	Wrexham	Clwyd		One glowing outer ring, surrounding an oval structure with pulsating lights.
03-Aug-98	22:08	Livingston	West Lothian		One bright light, that was star like, which dimmed, brightened then dimmed again.
04-Aug-98	22:00	Eastbourne	Sussex		One small, bright star shaped object, which was moving upwards. Was very slow.
05-Aug-98	00:30	Brecon	Dyfed		Vortex with white, red and green flashing lights. Rose straight up vertically from behind woods in the form of an arc. Smokey trail.

Date	Time	Town / Village	County	Occupation of reporter (where known)	Brief Description of sighting
06-Aug-98	20:35	Dagenham	Essex		Saw a light travelling very fast in a South Westerly direction towards Barking.
07-Aug-98	22:10	Shipley	West Yorkshire		One very bright object.
07-Aug-98	21:30	Aldershot	Hants		Two spot shaped, star coloured objects were spotted moving through the sky very fast.
07-Aug-98	21:40	Hounslow	Middlesex		It was like a shooting star, but with unsynchronised flashing lights.
08-Aug-98	15:10	Ludgershall	Hants		One small, spherical, silver object. Was very bright. Football size perhaps.
08-Aug-98	20:25	Laleham	Middlesex		Like a jet airliner, but very low and with no wings. It accelerated away.
09-Aug-98	23:00	Horsham	West Sussex		One object with three flashing lights.
09-Aug-98	00:00	Keighley	West Yorkshire		One object that resembled a coloured star. Was red, orange and green in colour. Made erratic movements, then vanished.
10-Aug-98	22:45	Hadley Wood	Hertfordshire		There were three twinkling lights.
12-Aug-98	03:45	Trotton	West Sussex		One spherical object that had various colours and was very bright.
12-Aug-98	22:00	Barry	South Glamorgan		Four main lights formed a cross. There were bright green and orange lights in the centre. Was larger than a 747.
13-Aug-98	04:45	Llanrhaeaedr	Clwyd		One huge, silver, star shaped object.
13-Aug-98	12:15	Louth	Lincolnshire		Described as a yellow/white 'glow', with flashing lights. Was moving very fast.
13-Aug-98	22:45	Highcliffe	Dorset		One white circle travelling in a straight line. There was then an extremely loud explosion over the sea.
15-Aug-98	02:30	Conningsby	Lincolnshire		Bright green light, three large green windows, 8 ft apart, oval in shape and was a quarter of a mile long.
16-Aug-98	22:00	Frome	Somerset		One object looked like a yellow moon, second one looked like a triangle with red flashing lights, and the other three looked like silver balls moving in a circle formation. The noise was a very loud noise, like the roar of many engines.
16-Aug-98	22:30	Bristol	Somerset		Many white, small beams that were flickering.
17-Aug-98	10:00	Frome	Somerset		(Saw the same objects as above).
17-Aug-98	04:45	Slinford	West Sussex		Two points of light, that were too big to be stars. Also, circles of yellow light. They were hovering and pulsating.
17-Aug-98	23:26	Hensbridge	Somerset		One white object, star shape. Much brighter than a star.
19-Aug-98	00:10	Elgin	Morayshire		Bright flickering light, with changing colours - red, white and green.
19-Aug-98	08:35	Shrewsbury	Shropshire		One circular, gold coloured object.
21-Aug-98	09:50	Porthcawl	Mid Glamorgan		A star size, bright object. Was blue/white in colour.
21-Aug-98	23:45	Walthamstow	London		Lights in the sky. They moved, stopped and then zoomed off.
22-Aug-98	19:10	Bristol	Somerset		One object, like an oval pebble, white on top and black underneath.
24-Aug-98	00:30	Swansea	West Glamorgan		A very bright, white light in the sky, moving fast.
24-Aug-98	00:00	Wakefield	West Yorkshire		One bright, white light that was moving very slowly in an unusual way.
25-Aug-98	02:30	Hull	North Yorkshire		Was a hazy shape, had three lights at the bottom like traffic lights, surrounded by a fog.
26-Aug-98	22:45	Wallingford	Oxfordshire		One white object with diffused light.
29-Aug-98	23:15	Cumnock	S'clyde		Looked similar to a division sign - two stars either side of line.
30-Aug-98	22:00	Yatton nr Bristol	Somerset		One object, bigger than a star. Bright, but had no colours.
30-Aug-98	09:00	Kilmarnock	Ayrshire		A red and white flashing light that was moving extremely fast.
30-Aug-98	18:55	Eckington	South Yorkshire		Two black spheres close to each other. There were no lights at all, and they were moving fast.
31-Aug-98		Mottram	Cheshire		One to four bright triangular objects, that then changed to a round shape. They were all white. (Were there for one hour).
31-Aug-98	16:00	Bewdley	Hereford & Worcester		One, black teddy bear shaped object. Was moving very fast through the sky. Sounded like a helicopter engine.
01-Sep-98	20:15	Callestick nr Truro	Cornwall		One 6-8 ft long, 2-3 ft wide, oval, greyish, solid object that circled around the witnesses house.
01-Sep-98	22:00	Mixenden	West Yorkshire		Several, round, elliptical, bright lights shining upwards. Was moving backwards and forwards.
05-Sep-98	16:30	Esher	Surrey		Several pairs of small, elliptical, silver objects descending from the sky.
07-Sep-98	20:25	Cumnock	S'clyde		Extremely bright flash of light. Was there for 1-2 seconds.
08-Sep-98	20:35	Barnetby	North Lincolnshire		Large, round circular object with orange lights on the outside which changed colour. Centre had green lights which changed to blue.
09-Sep-98	01:00	Trowbridge	Wiltshire		Bright lights were seen through the witnesses bedroom curtains.
10-Sep-98	00:30	Erith	Kent		Two objects larger then planes, both had round fronts going to points. Red and blue lights on front of objects.
11-Sep-98	20:15	Surbiton nr Southampton	Hants		Object over house.
14-Sep-98	03:00	Salisbury	Wiltshire		One car-sized, cloud shaped, yellow luminous object. There were also flashing lights. Was about 100ft up.
16-Sep-98	22:20	Norwich	Norfolk		One object - a single light flashing.
16-Sep-98	20:50	Blackridge	West Lothian		One sparkly light, blue/white and very bright. It was jumping back and forth, but not moving any distance.
16-Sep-98	20:35	Barking	Essex		Four small white objects, like dim stars.
17-Sep-98	05:22	New Milton	Hants		One object with a bright light, and another object with it, had three bright lights.
18-Sep-98	21:00	Farm nr Henfield	West Sussex		One large cylinder shaped object estimated at 40m wide, displaying misty white lights.
19-Sep-98	22:45	Kidderminster	Worcestershire		One, round, white object that had the brightness of a star. It was erratic when it moved.
19-Sep-98	19:25	Redruth	Cornwall		Two, oval white objects.
21-Sep-98	21:30	Waunfawr	Gwynedd		Spheres - colours on and off in sequences.
25-Sep-98	01:45	Blackstone	West Sussex		Five to six circles, one object, larger than a jumbo jet. Was rotating.
10-Oct-98	23:25	Stanwell	Middlesex		Two objects that were orange and had a dull glow.
10-Oct-98	18:30	Borough Bridge	North Yorkshire		One object that was golf ball shape, that had triangular lights on either side.

Date	Time	Town / Village	County	Occupation of reporter (where known)	Brief Description of sighting
10-Oct-98	05:30	Horndean	Hants		Triangular object that was rotating. There were three to five lights underneath, that were also rotating.
11-Oct-98	04:05	Edinburgh	West Lothian		Very large, oval/round shaped object - illuminated (like the moon).
12-Oct-98	00:30	Gravesend	Kent		One global object that was pulsating and was very bright.
13-Oct-98	19:00	Staines	Surrey		One bright, orange flashing light. It hovered for a while, then sped off faster than a conventional aircraft or helicopter.
19-Oct-98	01:00	Basingstoke	Hampshire		Lots of bright lights.
19-Oct-98	00:10	Waterlooville	Hampshire		Saw flashes of light every few minutes, plus one long silver beam.
20-Oct-98	00:45		Ayrshire		One single bright red light - (square or oblong). Sort of a humming noise.
23-Oct-98	14:07	Aberdeen	Grampian		Two objects that were spherical, shiny and silver. Objects looked approx a quarter of an inch across.
25-Oct-98	09:35	Boscombe	Dorset		One object that then split into two. Was about the size of a minibus. Wedge shape and silvery white. Sun reflected off of it.
26-Oct-98	20:20	Whisby	Lincolnshire		One object, roughly the same size as a Harrier, but there was no noise. Was brightish, with lights flashing underneath.
26-Oct-98	19:10	Crewe	Cheshire		Four triangular objects in formation. They were yellow/white in colour and were moving across the sky.
27-Oct-98	15:30	Kings Lynn	Norfolk		Small white cloud - looked unnatural and had a reflection coming from it, which appeared to revolve. It disappeared after 20 seconds.
28-Oct-98	22:40	Thirsk	North Yorkshire		Very bright white light.
29-Oct-98	20:54	St. Andrews	Fife		Dull, orange, elliptical, 10 Arc.
30-Oct-98	12:47	Harlow	Essex		A long, cylindrical object with no defined edges. Was black and very dull. Looked like it had three layers.
01-Nov-98	20:30	Farnham	Hampshire		Very large cigar - shaped object, with six sets of lights underneath. Thinks it could have been an airship.
04-Nov-98	18:00	Hull	Humberside		Five star like objects in a perfect line. Appeared at a very high altitude.
04-Nov-98	04:00	Morden	Surrey		A ball of changing colour, with lots of different coloured lights around it. Made helicopter sounds. It stayed in place for about two hours.
04-Nov-98	12:35	Bishops Waltham	Hampshire		One object that was round and white. It had an orange underside.
06-Nov-98	17:50	Hanham	Somerset		One object - oval/eye shaped with bright white light.
06-Nov-98	04:30	Deal	Kent		Two white fireballs in the sky. First fireball went in an arc. Second fireball went vertically.
09-Nov-98	15:45	Bury	Greater Manchester		One object, flames, black smoke, defined mass, unable to tell exact shape.
09-Nov-98	19:40	Walsall	West Midlands		One object, bigger than a jumbo jet? Was like a line. Had two red lights, one white and one blue. Very bright.
10-Nov-98	19:45	Chichester	West Sussex		One object, the size of a house, with a pinnacle top with a dome. Orange but dull in colour. Very erratic and fast.
10-Nov-98	21:15	Salisbury	Wiltshire		One star like object. Red and green flickering lights on the object.
11-Nov-98	00:12	Reading	Berkshire		One object with tentacles. 300 Approx?
12-Nov-98	06:35	A3	East Hampshire		One, quite large pear shaped - flat fronted object. White with red sparkles and a blue tinge. Very intense brightness.
15-Nov-98	03:45	Cardiff	South Glamorgan		One huge 'aura' was seen, was tapered to one end, like a pen. Was multicoloured and shimmering.
15-Nov-98	12:30	St Neots	Cambridgeshire		Two shapes the size of a car, burning in appearance. They were spinning and silent.
16-Nov-98	06:40	A12 - Romford	Essex		One smallish, blue-ish circle that was very bright. Was moving quickly from West to East.
16-Nov-98	06:45	Llandrinio	Powys		One beam of blue light that was very bright. It then turned white and then disappeared leaving a vapour trail.
16-Nov-98	06:40	Stow Bardolph nr Kings Lynn	Norfolk		An apparent explosion with a fast disappearing tail.
16-Nov-98	06:40	Marlborough	Wiltshire		Plume with a tail like a rocket, that looked like a white flame, with orange and pink edges. Was very bright. Moved vertically up.
16-Nov-98	05:50	Somersham near Huntingdon	Cambridgeshire		White, bright light that was maybe a comet. Was seen for 2-3 seconds.
16-Nov-98	06:40	A17 near Boston	Lincolnshire		A white ball with a long tail was seen. The witness said that it was probably a comet.
16-Nov-98	06:40	Cardiff	South Glamorgan		One bright, white light in the shape of a circle, with a vapour trail.
16-Nov-98	12:50	Brockley Green	Suffolk		A silver object with a short tethered tail.
16-Nov-98	04:15	Bow	East London		One round, dim orange object. Moved from North to South.
16-Nov-98	04:15		East London		A dim, orange light in the sky.
16-Nov-98	22:20	Edinburgh	Lothian		One, white shining light. Made a whoosh sound.
16-Nov-98	06:40	Tayport	Fife		Elongated pear shape, turquoise in colour. Had like a shooting star effect. Very low and large.
16-Nov-98	05:15	Penrhyn Bay/Conwy	Gwynedd		There were several blue-ish, white-ish lights.
17-Nov-98	20:33	Sheffield	South Yorkshire		Red ball type of object, like the sun, going around in a circle behind the clouds.
17-Nov-98	00:01	Edmonton	North London		One object, two miles wide-ish and V shaped. Had 11 white and orange lights and was very bright.
17-Nov-98	03:45	Chippenham	Wiltshire		Lots of shooting stars/flares, that were gold, green and white. Very bright.
18-Nov-98	23:30	Minehead	Somerset		Large, circular, with silver, red, green and blue lights.
18-Nov-98	23:00	Newmarket	Suffolk		Large, unidentified object, like a reflection on car windscreen. Smokey silvery colour. It rotated and moved parallel to the A14.
19-Nov-98	19:10	Stirling	Central		One object - very bright strobe light.
19-Nov-98	22:50	Newmarket	Suffolk		One huge, dull, greenish object. Looked circular shaped when it moved.
19-Nov-98	23:10	A11 Nr Newmarket	Suffolk		One huge circle with another circle in it, and several smaller circles inside this circle.
20-Nov-98	12:03	A11	Suffolk		Two rings of squares of dull blue-ish light, spinning very fast and tilting. Very large. Changed to a cigar shape.
21-Nov-98	18:58	Hampton Poyle/Oxford	Oxfordshire		One large, white, oval object, with 150 - 200 lights. The object was still, and then started spinning.
29-Nov-98	17:45	Abergevenny	Gwent		One large, dark hexagonal object with two white lights. Was humming and flew low over the witnesses house.
29-Nov-98	07:35	Hull	East Yorkshire		A round object in shape, with a pale yellow vapour trail. The object was travelling in a vertical downward direction.
30-Nov-98	15:18				A UFO.

Date	Time	Town / Village	County	Occupation of reporter (where known)	Brief Description of sighting
30-Nov-98	22:10	Sutton Coldfield	West Midlands		One very big, bright white triangular object with a light on each point.
02-Dec-98	00:10	Blairgowrie	Perthshire		Unusual light in the sky. Was not a star or a plane. Did not move for the hour in which the witness watched it.
05-Dec-98	05:10	Blaenau	Gwent		One very bright, white light. Very high altitude.
06-Dec-98	04:10	Sutton Coldfield	West Midlands		One enormous, dark triangular object with three green/blue-ish lights.
07-Dec-98	23:00	Stanford Le Hope	Essex		Several white lines and dots of medium size. They were flashing.
12-Dec-98	21:30	Horsham	West Sussex		One very bright, circular white light. Was moving from East to West.
12-Dec-98	23:30	Nr Walthamstow	East London		Flashing lights. They disappeared and then reappeared at midnight.
15-Dec-98	07:50	Moseley	West Midlands		Very bright star. It moved very fast, too fast to be a plane.
17-Dec-98	08:00	New Haven	East Sussex		Saw strange vapour trails, plus unusual objects that came from the horizon, wiggled round a bit, then went again. From across the English Channel.
18-Dec-98	08:00	Bury St Edmunds	Suffolk		Objects smaller than aircraft, moving around high in the sky.
18-Dec-98	23:59	Burghead	Highlands		Single object - much larger than a star. The shape of a spider's web, very bright with rainbow colours. Glorious. Was stationary.
19-Dec-98	22:30	Leeds	West Yorkshire		One bright, circular, white, red and green object. Was pulsating.
20-Dec-98	18:00	Warrington	Cheshire		Large bright triangle, grey on the perimeter. Three orange lights on each point. Travelled across the sky not particularly fast.
20-Dec-98	23:15	Ventnor/Isle of Wight	Hampshire		One diamond shaped object with red circles on it.
20-Dec-98	03:00	Edinburgh	Lothian		A line of 3 or 4 lights, orange in colour.
20-Dec-98	03:00	Edinburgh	Lothian		Gold coloured ball with a tail (like a comet), which was very bright.
20-Dec-98	16:30	Knutsford	Cheshire		Oval, grey, single object - approx. 6ft. Was heading South.
21-Dec-98	00:30	Tedburn St Mary	Devon		One disc with a bright light.
21-Dec-98	00:45	Edinburgh	Lothian		An object that was changing colour. Green lights/lasers. Stationary, hovered and the moved.
22-Dec-98	19:00	Bradford	West Yorkshire		Four large objects (each one was 3 times larger than a Hercules).
22-Dec-98	20:44	Whitwell/Isle of Wight	Hampshire		Boomerang shaped object. Flew over head very quickly and then disappeared.
22-Dec-98	23:45	Newton Mearns/Glasgow	Lanarkshire		There were a series of lights, that were fast.
No Firm Date		Farnborough	Kent		Objects that appeared from nowhere, flew erratically and were pilotless, sometimes accompanied by a bright flash. Seen everyday for the last three years.
